**SacTown VegFest returns on January 27, 2018!**

SVS invites you to become a sponsor of SacTown VegFest (STVF) 2018. The event will take place on Saturday, January 27, from 10 A.M. to 4 P.M. at Sacramento Charter High School (2315 34th Street, Sacramento).

Our goal is to create an event that will appeal to a broad cross-section of Sacramento's culturally diverse communities. To that end we will have a variety of food vendors, exhibitors, and speakers who will cover the richness of plant-based living, including the benefits to/for health, the environment and animals.

STVF 2017 drew close to 2000, up from over 1100 our first year. We think 3000 is a reasonable goal for 2018. Thanks to the support of our sponsors we are able to make STVF a free event so that all members of the community may attend. Together we can make STVF a celebratory event that is free to the public, child friendly, and will have a positive impact in the community.

Please take a look at the attached sponsorship form (it's a typeable PDF), and return it at your earliest convenience.

For the Organizing Committee,

Glenn Destatte, President SVS

**Our Values:** SVS aims to:

- Promote a vegan lifestyle for the health of people, animals, and the environment;
- Provide accurate information about the ethical, environmental, and health impacts associated with animal-based foods;
- Provide support to those interested in, considering, or practicing vegetarian and vegan lifestyles, regardless of their motivations;
- Encourage restaurants, medical facilities and establishments in the Sacramento Metropolitan area to offer more vegan options;
- Promote the planting of gardens to provide fresh produce to children and adults in the Sacramento region.
